

VIVID PANEL'S

PUBLISHER PORTAL

THE VISION

Vivid Panel is a indie comic book publishing platform designed solely for indie creators. We exist to provide creators with the tools to launch projects, build an audience and **EARN** at the same time

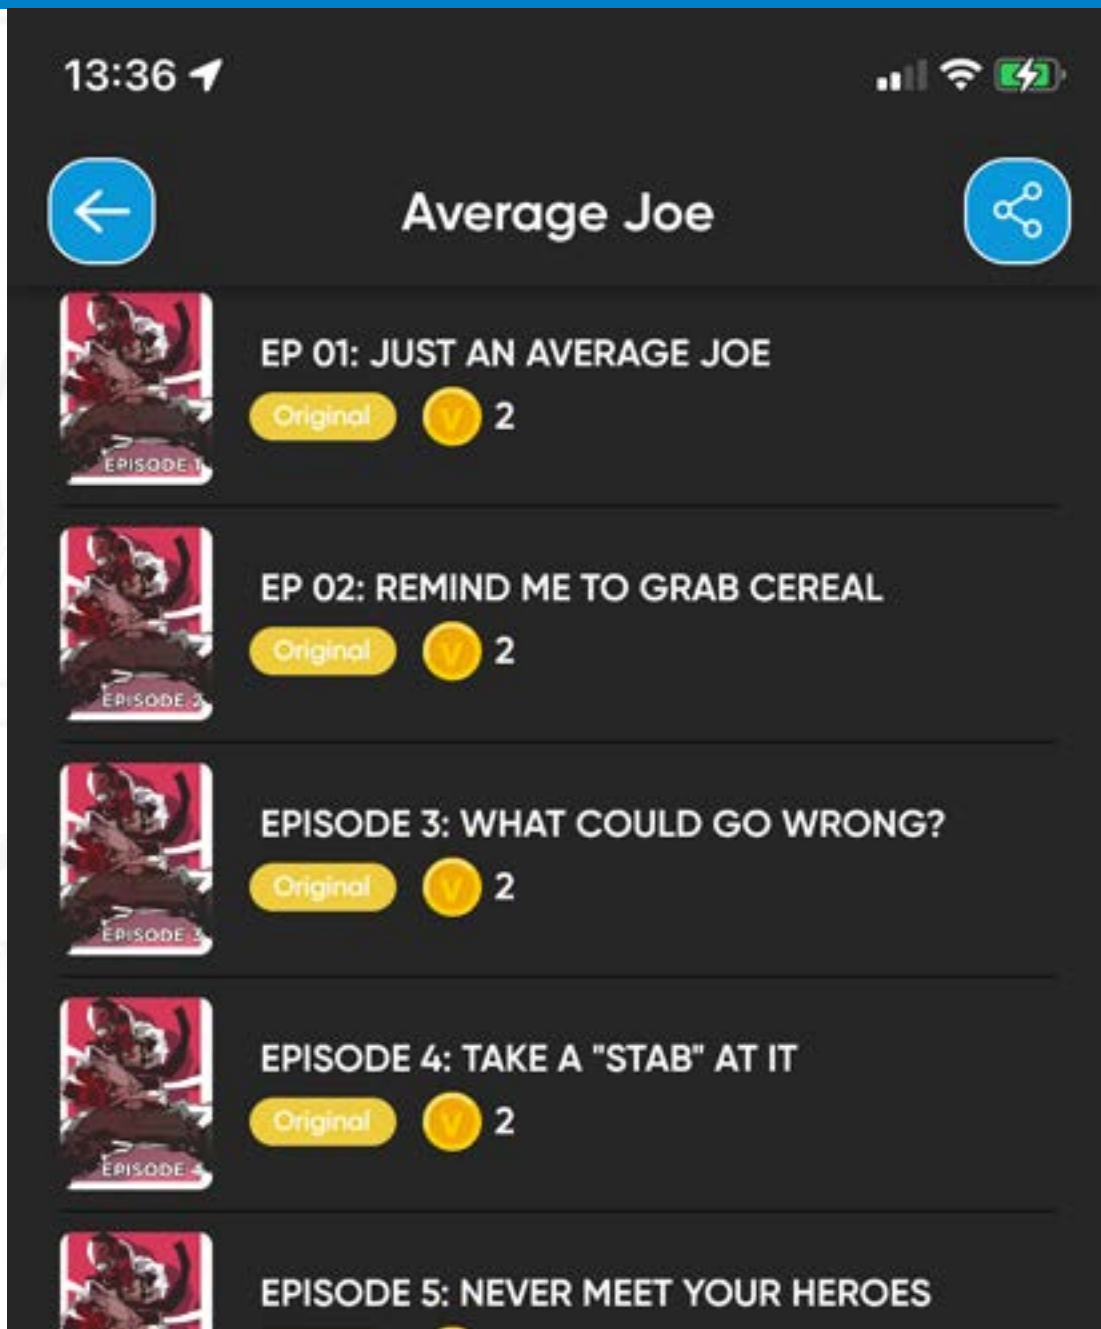

A COMIC PLATFORM

**FOR INDIE
CREATORS**

**BY INDIE
CREATORS**

THE MODEL

The Publisher Portal is where creators can upload their comic content and get paid for each new reader that reads their episodes. Users will pay to read comic book episodes using our in app currency V- Coins. Comics that go above and beyond and include voice acting will be eligible to charge more V-coins per episode!

The screenshot shows a mobile app interface for a comic series titled "Average Joe". At the top, the time is 13:36, and there are icons for signal strength, Wi-Fi, and battery. The app title "Average Joe" is centered, with a back arrow on the left and a share icon on the right. Below the title, there is a list of five episodes, each with a thumbnail image of a character and a price tag. The price tag for each episode is "Original" and "2" V-coins.

- EP 01: JUST AN AVERAGE JOE (Original, 2 V-coins)
- EP 02: REMIND ME TO GRAB CEREAL (Original, 2 V-coins)
- EPISODE 3: WHAT COULD GO WRONG? (Original, 2 V-coins)
- EPISODE 4: TAKE A "STAB" AT IT (Original, 2 V-coins)
- EPISODE 5: NEVER MEET YOUR HEROES (Original, 2 V-coins)

You've made the COMIC now make a LIVING

Of all the places that creators can choose to upload their work, none of them offer a **SIGNIFICANT** opportunity to earn without a high barrier of followers, subscribers or readers. We plan to fill that gap by providing indie creators with a platform to monetize their audience in a new and interesting way.
